Director's Message

Dear Parents,

On behalf of the Greenwood family, I would like to welcome everyone to Greenwood Public School! It is a privilege to wish you all as the Director of the school and work with such a dedicated and professional staff. Our school has an outstanding reputation and I am proud to be a part of such a wonderful community. GWPS is filled with enthusiastic students willing to learn, supportive families interested in their children's education and a dedicated and professional staff committed to providing the students with the highest quality education.

Our Mission is to develop enlightened global citizens with the involvement of all beneficiaries. At Greenwood Public School, our team is focussing to develop our students as global citizens with tolerance, respect and appreciation of diverse cultures and religions for a life-time learning experience.

I believe education is an unending process of life. Education is not just about the subjects that are learnt and taught in school. Becoming educated is not restricted to being in school and then in college, gathering certificates and feeling proud of oneself. It is a lifelong exercise that can be unbelievably exciting if only we wish to jump onto the train of experience and take a trip to every conceivable place on the earth.

The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things.

At the end I would like to thank all the parents who have reposed faith in our institution and the ideals it stands for. Let me assure you that your loved ones are in safe hands. Our staff members understand the ethos of the school and help in guiding and encouraging the children and I am sure that the children will make both you and us proud.

"A dream is not what you see in sleep but a dream is that does not let you sleep"

Mrs. Kiran Bhadoria

THIS IS WHAT OUR PARENTS SPEAK.....

The School is a hidden gem and we are truly blessed to have become a part of such a wonderful and lovely community. GWPS has been great for my child. She loves to go to school and has a great liking for the great teachers. The staff is courteous and the school has an atmosphere that results in growth, academically and personally for my child. The hands on learning education, trips and fine arts classes in addition to academics makes for a fun., engaging and motivational learning experience for her.

I am extremely happy and satisfied with the school and the teachers of the school. I always think that school should be a place where one can learn basic education and good values. Greenwood school does justice to the education system. My daughter feels super excited while going to school and as soon as she reaches home, she is again excited to tell me the whole story what she has done in school. She is growing up like a very confident girl. Best of luck to Greenwood Team.

I am short of words to express my sincere gratitude and happiness to see my children getting groomed so well under the guidance of the expanded GWPS team with a dynamic mentor like the Principal and super affectionate teachers. What else could be a bigger delight than this moment for a parent to see the kids growing so well.

मैं बहुत खुशानसीब हूँ की मेरी दोनो बेटियाँ ग्रीनवुड विद्यालय में अध्ययनरत है। ग्रीनवुड विद्यालय की प्रिंसिपल महोदया कि जितनी तारीफ करुं उतनी कम है। सबसे पहले तो जो महोदया का पालकों से जो सम्पर्क है और जिस तरह वह प्रत्येक बच्चे के पालकों को जानती हैं या उनके बच्चों के भविष्य या कमियों को लेकर चिंतित रहती हैं वह तारीफ के काबिल है। मैं ग्रीनवुड परिवार के सदस्यों को धन्यवाद देना चाहती हूँ जिन्होंने ग्रीनवुड विद्यालय को अपना योगदान देकर उसका नाम श्रेष्ठ विद्यालयों में दर्ज किया। विद्यालय परिवार को मेरी शुभकामनाएँ।
